DISCIPLESHIP THE WAY JESUS WORKS

BE PREPARED FOR GOD TO PUT YOU ON YOUR ASSIGNMENT!

This is the life of the disciple - you will be His chosen with a job to do! *"The Lord, the Eternal, equipped me for this job [DISCIPLE] - with skilled speech, a smooth tongue for instruction. I can find the words that comfort and soothe the downtrodden, tired, and despairing. And I know when to use them. Each morning, it is God who wakes me and tells me what I should do, what I should say. The Lord, the Eternal, has helped me to listen, and I do as He says. I have not been rebellious or run away from God's work."* Isaiah 50:4-5.

So what do you need to be able to do your assignment? *"To know the Word is to know what to do in situations and circumstances. Without 'the Word' we are the blind leading the blind into ditches."* Matthew 15:14.

The disciples were drawn to Jesus. He was the real deal. Different. He operated in power. His Words changed them. They lived with Him and learned as disciples becoming His 'sent ones' as Apostles.

This is discipleship.
